

**FREE Accredited CPD: Adult Obesity, Why Can't My Patient Lose Weight?**  
**FREE Online CPD – Earn Credits**

Dear Colleagues,

We are proud to introduce to you the FREE accredited online continuing professional development (CPD) program: "[Adult Obesity in Denmark: Why Can't My Patient Keep the Weight Off?](#)".

This course was developed in collaboration with our subject matter experts here at **DSAF and our partners at EASO** and [mdBriefCase Group](#) – a leading provider of FREE online CPD programming for healthcare professionals.

'[Adult Obesity in Denmark](#)' provides a framework for the management of obesity demonstrated through case-based scenarios. The online portal contains video resources from subject experts, tools and resources for practical application, guidelines, and much more.

**This free CPD course provides 1 hour of accredited learning on the following topics:**

- The importance of managing obesity
- How to manage obesity to reduce disease burden
- How to offer individualize treatment of obesity

**This program was created in collaboration with:**

- Berit Heitmann, MDDr, PhD
- Maiken Beck, RD
- Jens Peter Kroustrup, MD
- Rasmus Køster Rasmussen, MD, PhD

**Registration and program participation is completely FREE.** Click here to [LEARN MORE](#)

*This e-Learning material is designated for a maximum of (or 'for up to') **1 Hour** of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in educational activity.*

Best regards
