

Guidelines for abstract submission

DSAF Education Day on Obesity & Nordic obesity meeting November 17th –19th 2022

Please submit your abstract as a word file to dsaf@dsaf.dk no later than September 1th 2022. The organizing committee will select abstracts for oral presentations.

Awards will be given to two young investigators to recognize excellence in their projects as well as the oral presentation. The winner receives 5000 kr. and the runner up receives 2500 kr.

All abstracts and suggestions must adhere to the EASO [person first language](#) guidelines.

Abstract text: The abstract must contain no more than 250 words (text). It must be written in English, in complete sentences, and include a title and the following headings: background, objective, design, results, and conclusions. All authors should be listed with name and affiliation and the presenting author in font bold. The text in the abstract must be in Verdana, 10-pt font size, with at least 2 cm left and right margins and at least 13-pt line spacing. The submitted file must be labelled with the name of the presenting author.
